

# WOMEN DELIVER 2019

## KEY HIGHLIGHTS & SNAPSHOTS

### Government of Canada Makes Historic Investment to Promote the Health and Rights of Women and Girls around the World

Prime Minister, Justin Trudeau, made a major announcement on June 4, 2019 at the Women Deliver 2019 Conference that the Government of Canada will raise its funding to reach \$1.4 billion annually, starting in 2023, to support women and girls' health around the world. This ten-year commitment of investment will support sexual and reproductive health rights and maternal, newborn, and child health.

**"There was pushback when we got the right to vote; there was pushback when we entered the workplace; and there is pushback now as we take on positions of power. Our hard won gains are non-negotiable – we can move forward but not back."**

**The Honourable Maryam Monsef**, Minister of International Development and Minister for Women and Gender Equality, Canada

### The Power Of Us: Opening of the Women Deliver 2019 Conference

From reproductive rights to women in leadership, accountability to responsibility, what is "the power of us" in the pursuit of Gender Equality?
